PTO TO READ AND SIGN THE ROOM HIRE AGREEMENT

Agreement between PCAA and persons hiring events rooms (“the hirer”)

The PCAA lets rooms to individuals and groups for events related to arts or culture with the expectation that the hirer leaves the hired room as they found it. Depending on room use following the hirer’s event, cleaning and tidying up and removal of the hirer’s property should take place immediately after their event.

IN ADDITION, Room hirers must undertake to comply with simple Covid safety guidelines, which are briefly summarised in the PCAA document “COVID GUIDELINES JUNE 2022”.

In some circumstances, if clean-up is needed, it can take place early in the morning following your evening event. This arrangement MUST be agreed with the Room letting convenor (Sue Owen - 670678 or 0781 505 2929).

Please DO:

1. After a messy activity or social gathering, please sweep the floors and remove all rubbish (broom and dustpan and brushes will be left by the coat-stand in room 1)
2. Clean table tops
3. Remove any props, artefacts, decorations etc
4. Ensure that any electrical equipment that you bring in (eg sound system, heaters, etc) has been PAT tested.

Please DO NOT put anything into the toilets other than toilet tissue - no other paper types, no food waste, no drink waste, etc.

Food waste should be put into food waste bags (provided by the hirer) and taken away.

Drink waste - if purely liquid, should be discarded in the hand wash basin

Liquid food waste such as soup or fruit in punch bowls should be taken away in appropriate containers by the hirer and should NOT be discarded in hand wash-basins or the toilet.

Female hygiene waste should be put in the bins provided.

Failure to observe these guidelines could result in the PCAA charging you for extra cleaning hours, for plumber’s bills etc. It could also result in the PCAA refusing future letting of room space to you.

The PCAA will put away tables and chairs.

Out of café hours - before you leave the premises: Please ensure that (i) all water taps are switched off, (ii) all heaters are switched off, (iii) the coal fire is not roaring up the chimney (don’t stoke it within an hour of leaving the room), (iv) all lights are off, (v) all inner doors are closed, and (vi) the entrance (no 2) door is fully bolted from inside and the exit (no 4) door is locked.

If you have been given a key, you must return the key to the Arts Association committee at the end of your room booking contract.

I understand and will follow the PCAA room hire guidelines and agreement, the Covid Guidelines for room hirers and the PCAA Covid Risk Assessment.

Signed: (Hirer)
